## SAFETY INSTRUCTIONS

**FAILURE TO FOLLOW THESE WARNINGS MAY RESULT IN SERIOUS INJURY OR PROPERTY DAMAGE AND WILL VOID WARRANTY.**

To ensure safety, do not attempt to assemble this system without following the instructions carefully. Check entire box and inside all packing material for parts and/or additional instruction material. Before beginning assembly, read the instructions and identify parts using the hardware identifier and parts list in this document. Proper and complete assembly, use and supervision are essential for proper orientation and to reduce the risk of accident or injury. A high probability of serious injury exists if this system is not installed, maintained, and/or operated properly.

Follow any and all warnings and cautions carefully.  
Assembly on level ground.  
Check all nuts and screws for tightness before and during the usage season.

*Most injuries are caused by misuse and/or not following instructions. Use caution when using this system.*

STOP!

**BEFORE BEGINNING ASSEMBLY**

STOP!

Keep the hardware bags and their contents separate. If any parts are missing, call our Customer Service Department.

Set the notch in the center of the Lid Support Channel over the nub in the center of the Lid. This will help align the four holes in the Lid Support Channel with the four holes in the Lid. Secure the Lid Support Channel to the Lid using four (4) **#14 x 3/4" Hex-Head Screws (BKW)**.

## CLEANING & CARE

Congratulations on your Lifetime® Storage Box purchase. By following the instructions below, your new Lifetime storage box should provide you with years of service and enjoyment.

### CLEANING AND CARE

The polyethylene parts are stain- and solvent resistant. To clean, use a mild soap and a soft-bristled brush. Abrasive cleaning materials may scratch the plastic and are not recommended. Repair scratches or rust spots on the metal by sanding the affected area lightly; using a rust preventative spray primer; and finally, spraying with a high-gloss spray enamel paint. Avoid placing a direct heat source on or near surfaces unless using a heat barrier.

### WARNING

Do not pull back on the Lid of the Storage Box. The Lid is designed to go no more than 90°. Pulling back on the Lid more than 90° will damage the Gas Springs and void the warranty.

### ADVERTENCIA

No tire de la Tapa de la Caja de almacenaje. La Tapa está pensado por abrir no más de 90°. Tirando de la Tapa más de 90° dañará los Resortes de gas y anulará la garantía.

### AVERTISSEMENT

Ne tirez pas sur le Couvercle de la Boîte de stockage. Le Couvercle à été conçu pour ouvrir pas plus de 90°. En tirant du Couvercle plus de 90° endommagera le Ressorts de gaz et annulera la garantie.

## **LIMITED LIFETIME WARRANTY**

### **10-YEAR LIMITED FACTORY WARRANTY**

**THE MANUFACTURER RESERVES THE RIGHT TO MAKE SUBSTITUTIONS TO WARRANTY CLAIMS IF PARTS ARE UNAVAILABLE OR OBSOLETE.**

1. Lifetime storage boxes are warranted to the original purchaser to be free from defects in material or workmanship for a period of ten years from the date of original retail purchase. The word "defects" is defined as imperfections that impair the use of the product. Defects resulting from misuse, abuse or negligence will void this warranty. This warranty does not cover defects due to improper installation, alteration or accident. This warranty does not cover damage caused by vandalism, rusting, "acts of nature" or any other event beyond the control of the manufacturer.
2. This warranty is nontransferable and is expressly limited to the repair or replacement of defective product. If the product is defective within the terms of this warranty, Lifetime Products, Inc. will repair or replace defective parts at no cost to the purchaser. Shipping charges to and from the factory are not covered and are the responsibility of the purchaser. Labor charges and related expenses for removal, installation or replacement of the shed or its components are not covered under this warranty.
3. This warranty does not cover scratching or scuffing of the product that may result from normal usage. In addition, defects resulting from intentional damage, negligence, unreasonable use or hanging from the truss will void this warranty.
4. Liability for incidental or consequential damages is excluded to the extent permitted by law. While every attempt is made to embody the highest degree of safety in all equipment, freedom from injury cannot be guaranteed. The user assumes all risk of injury resulting from the use of this product. All merchandise is sold on this condition, and no representative of the company may waive or change this policy.
5. This product is not intended for institutional or commercial use; Lifetime Products, Inc. does not assume any liability for such use. Institutional or commercial use will void the warranty.
6. This warranty is expressly in lieu of all other warranties, expressed or implied, including warranties of merchantability or fitness for use to extent permitted by Federal and state law. Neither Lifetime Products, Inc., nor any representative assumes any other liability in connection with this product. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
