SHEDS GREENHOUSES CHICKEN COOPS KENNELS

# INFO & ACCESSORIES

## EASY ASSEMBLY

At EZFIT, we make it easy for everyone from the lower 48 states to transform their outdoor space with high-quality shed kits designed for effortless assembly and built to last - from seasoned contractors to the at-home DIYer who's new to construction. Our kits feature pre-built wall panels, ensuring a quick and straightforward setup.

Whether you're looking for a functional storage solution, a stylish greenhouse, or a backyard workshop, our sheds combine premium materials with thoughtful design to meet your needs, and we're here to help in every step of the process.

## WHAT'S QUICK SHIP?

All of our Quick Ship Kits are in stock and ready to ship within 72 hours. Look for the truck icon  — it means that size is available for Quick Ship! Other sizes are custom-built just for you and may take a bit longer to ship.

## DELIVERY DETAILS

- Sheds arrive in 1-2 large crates
- Curbside liftgate delivery
- Flatbed delivery available (\$200-\$1,000)
- If needed, two people can manually unload

## PREP DETAILS

- Paint, roofing, and loft materials are not included with most structures.
- For floor kit prep, spread limestone 12" wider than shed dimensions on all four sides
- For concrete slab, use ½" smaller than the shed dimensions to prevent water entry.
