Ce produit a été conçu et fabriqué afin de répondre aux normes les plus exigeantes en matière de qualité et de durabilité.

Sous réserve de la section « limitations et exclusions à la garantie » ci-dessous, il est garanti contre les défauts matériels ou de fabrication:

- **1 AN SUR LES DÉFAUTS MANUFACTURIERS**

## LIMITATIONS ET EXCLUSIONS À LA GARANTIE

- 1. Dommages non couverts:** Cette garantie ne couvre pas les dommages causés par le vent, la chute d'objets, le feu, les animaux, la végétation, le vandalisme, les conditions climatiques extrêmes, ni les effondrements dus à l'accumulation de neige et de glace.
- 2. Entretien du toit:** Le toit doit rester libre de toute accumulation de neige ou de glace. Ces accumulations doivent être retirées en sections de cinq pieds (5) à la fois, de droite à gauche. Les dommages causés par un défaut d'entretien du toit ne sont pas couverts par la garantie.
- 3. Retrait de neige et de glace:** Le retrait de neige ou de glace depuis l'intérieur du produit est interdit, car il peut causer des dommages au produit.
- 4. Positionnement:** Il est déconseillé de placer le produit à proximité d'immeubles ou d'arbres, car la neige ou la glace peut glisser et s'accumuler sur le toit, provoquant un poids excessif.
- 5. Installation:** La garantie est valide uniquement si le produit est installé conformément aux instructions fournies par Gazebo Penguin. Une installation incorrecte, notamment un ancrage inadéquat, annule la garantie.
- 6. Infiltration d'eau:** Des infiltrations d'eau peuvent survenir en cas de fortes pluies. Consultez le manuel d'instructions pour les positions des fenêtres et les informations sur l'évacuation de l'eau.
- 7. Clause de remplacement:** Nous nous réservons le droit de réparer ou remplacer tout produit ou pièce défectueuse, à notre seule discrétion.
- 8. Modifications:** Toute modification ou ajout au produit annule la garantie.
